

CAPPUCCINO ICE-CREAM ON A STICK

Step 1

INGREDIENTS

LIQUID CREAM

g 1.000

TENDER MIX

g 300

JOYPASTE CAPPUCCINO

g 80

PREPARATION

Add **TENDER DESSERT/TENDER MIX** to the cream and whip in a planetary mixer.

Add the cappuccino paste and mix. With a pastry bag, fill by half the special silicone moulds for ice-cream on a stick and place a small amount of **JOYCREAM DARK** in the center. Close with the cappuccino soft ice-cream and insert a stick. Put into the blast freezer and bring the temperature to -40°C. Remove from the moulds quickly and cover with **JOYCOUVERTURE CAPPUCCINO** or **JOYCOUVERTURE EXTRA CHOC WHITE** previously heated to 35°C. Decorate the surface as you wish.
